

DOMESTIC VIOLENCE FACTS: ARIZONA

DID YOU KNOW?

- ◇ **One in every four women** will experience domestic violence in her lifetime.¹ **One in 33 men** have experienced an attempted or completed rape.²
- ◇ An estimated 1.3 million women are victims of physical assault by an intimate partner each year.³
- ◇ The majority (73%) of family violence victims are female. Females were 84% of spousal abuse victims and 86% of abuse victims at the hands of a boyfriend.⁴
- ◇ The cost of intimate partner violence exceeds \$5.8 billion each year, \$4.1 billion of which is for direct medical and mental health services.⁵
- ◇ Boys who witness domestic violence are **twice as likely** to abuse their own partners and children when they become adults.⁶

CHALLENGES

- Justice system professionals surveyed in a 2007 report on the Arizona criminal justice system's response to domestic violence agreed that offender accountability needs improvement. Those surveyed called for stronger sentences, better supervision and improved treatment programs.⁷
- There is a need for increased victim participation in the prosecution process. Recommendations for improving the system include educating victims on the criminal justice system, expanding victim services, and incorporating victims in each stage of the process.⁷

STATEMENTS FROM SERVICE PROVIDERS

"I am proud to say that domestic-violence shelter services are now available for every county in Arizona for the first time. In total, more than 1,000 emergency shelter beds are available at 37 shelters throughout the state."

-Janet Napolitano, Governor⁸

"Consequences for domestic violence offenses are far too lenient, with many offenders being released the next day to then further harass and terrorize their victim, who often must flee their own home in order to be safe."

- Advocate, Local Program⁷

NATIONAL COALITION AGAINST DOMESTIC VIOLENCE

Every Home A Safe Home

The Public Policy Office of the National Coalition Against Domestic Violence (NCADV) is a national leader in the effort to create and influence Federal legislation that positively affects the lives of domestic violence victims and children. We work closely with advocates at the local, state and national level to identify the issues facing domestic violence victims, their children and the people who serve them and to develop a legislative agenda to address these issues. NCADV welcomes you to join us in our effort to end domestic violence.
